OREGON, MO., FEBRUARY 13, 1874.

William Gentry, of Pettis county, is the choice of the Benton county Democrat as the "Farmers' candidate for governor," but the Seda- isting between the two schools. Ha Democrat demurs, remarking that "If his friends desire to kill him, they push him out thus early."

The Niedner bill was discussed in the House at Jefferson City yesterday at and forcible speech, followed by Mr. Ryan, Colonel Forshey and Mr. Quenley in the same behalf. Mr. Post and Mr. Tatum take the singular position vote of the people of St. Louis county. But why thus dodge the responsibility. gentlemen? The claim is just; the liability; it imposes no additional burdens on the tax-payers of this county.

## ASSUMINGS COUNTY IN-DEBTEDNESS BY THE

mystery to us.

paying her railroad bonds, principal make the whole state responsible.

Mr. Robiuson, our representative Court for instruction, and an expression disposed toward other counties and they of education. sympathize with them in their financial do we believe is it just that we should gize in some way. do so.

For example Cass county, south of the river, voted a debt on herself for MORE a railroad and got the railroad, and enjoys the profits of it. Should Holt county help Cass county pay that road? pondence from Whig Valley, signed Holt, and Holt had nothing whatever been molested by a whole kingdom of to do in contracting the debt. But we cats, &c. Now, I will give you some Cass is crippled; suppose she is; shall been considerably stretched, or else the held at this place pursuant to a call by we therefore proceed to cripple both "staady old man" must have stretched Cass and Holt and every other county the blanket a margin. in the State? The truth is, many conntions they make, will ever teach them must have stretched. that prudence which they have hitherto ignored. If the state begins to assume this winter, notwithstanding the cats county indebtedness, there will be no we like the "old man" muchly. We end to it; it will establish a dangerous and destructive precedent. As matters hangs high. now stand, the experience of the past will check county extravagance in the future; but if the State assumes the rallroad debts of the counties, what warrant have we that counties will be any more prudent in time to come? The certainty of having to pay a debt is the best and in fact the only restraint against going into debt.

We hope Representative Robinson will do his level-best to defeat this inliguitous bill.

PHILLAM CORREC. TED.

MR. EDITOR: Please allow me to correct some instnuations made in regard to my school, by a correspondent calling himself "Phillam," writing from the Peirce school district.

The insinuation which strikes the most discordant feeling in my heart is, that there are feelings of animosity ex-

Now, Mr. Editor, I am sure there are no such feelings existing among could not adopt a better plan than to my scholars; and I do not think there are any such feelings among the scholsome length, Mr. Cornelius leading off school to be capable of harboring such Such news deserves more than com-

The insinuation next in importance that the matter should be referzed to a with somebody that we were ungentled dence of my party and my standing in school house without an invitation.

HARRISON COUNTY AND ITS COUNTY

SOVEREIGNS OF INDUS- AN AMERICAN CONSUL'S JOHN A. RREEK,

To the Industrial Classes : the Mechanics and Working Men and Women Every-

The genius of the age, the distin-guishing characteristic of the times, are in the direction of union and organization. No great public question can be reached except through union. in which there is always strenght. The capitalists and monopolists of the country, understanding this, have long since united and combined for the betskillfuly and perfectly have they ac-complished this that to-day, although the capital is dependent upon labor for school to be capable of harboring such feelings, I would not have consented to a spelling match between the two schools.

Such news deserves more than comits own aggrandizement or success; which is success; which is success; which is success; which is such as pelling match between the two schools.

Such news deserves more than comits own aggrandizement or success; which is success; which goes begging, while a very large per-centage of the profits of labor goes directly into the coffers of the capitalists, and it is enabled to dictate terms to labor-on which it must work, or

steal, or starve.

Again, capital and not brains is run ning the government and ruling the country; and so one sided has this ess of enacting laws and governing the people become that a very arge proportion of all our legislation designed to protect the interests of he wealthy at the expense of labor. This is no new thing. It is a matter The Sovereigns of Industry boldly

declare this to be all wrong, in theory and still worse in practice, and for the ing merrjust rights they propose form-behalf of their people, and signifying their intention of illuminating the city grand traternity—and when the grand traternity-and when they will meet capital on its own grounds, and after a free and tair and full dicussion out of your disappearance, and are using it as a hobby to ride into office arrive at such conclusions and settle upon such arrangements as will be intually beneficial to all parties. They proclaim no hostility to the

capitalists as such, to the government, be able to run the county for a few golden precepts, then will there be little need of forming or maintaining "Well, that is good," said Rowland. unions or asselations for the protection, says: The crops of corn, oats, "Happy thought," said Gill. WELCOME AT JERUSA-LEM.

York,) mentions the arrival of himself and wife at Jaffa, December 15, and of their journey thence to Jerusalem. Previous arrangements having been made for their conveyance to Jerusa lem, they proceeded, after a day's rest on their journey, receiving all along the way demonstrations of welcome. At Emmaus they were met by a delegation from Jerusalem, and again at Elah, by a much larger one, composed and officers and members of the Turkish army, all splendidly mounted.

They were assembled in a beautiful orange grove, where a bountiful Oriental lunch of fruits, etc., was prepared. Into this strange and grand assemblage Dr. De Hass was taken and introduced, and here also it was commu nicated to him that the Grand Pasha had sent his own horse for him to ride into the city. Dr. De Hass's experi-ence in the itinerancy served him well on this occasion; he ontidence the graceful Arab steed, richly caparisoned in velvet and gold. and toward evening the long cavalcade was seen winding its way around the hill of Zion and into the gates of the city, amid great crowds of people and loud cheers of welcome, the soldiers presenting arms, and the natives which was expressive of their good

The Grand Pasha did him the honor to call on the following day. Many of the Jewish patriarchs and Rabbis also called, extending him a welcome on
